INTERNATIONAL BUSINESS

ABOUT US

UP TO SEPTEMBER 2017

Throughout its 45-years history Banca UBAE has built a solid reputation in delivering trade finance solutions to internationally oriented clients, especially to our corporate customers.

We are one of the few Italian and International commercial banks having direct access to the Mena Region Countries and in particular to the Libyan financial and business arena, through which we are able to support cross border trade finance activities as well as the export of Libyan oil worldwide.

In 2017 GDP is expected to increase by 1.0 percent in real terms. The domestic demand will provide a contribution of 1.1 percentage points to GDP growth in 2017. Exports and imports are also expected to accelerate (3.5% and 4.4% respectively). Employment rate will continue to increase in 2017 although slightly slowing down if compared to the previous years. The rate of unemployment is likely to decrease at 11.5%. The government budget deficit will continue to decline gradually, as the economic recovery raises tax revenue and interest payment on the public debt decline.
